

# TRAIN-CE-FOOD

On 2<sup>nd</sup> December the partnership of the project **TRAIN-CE-FOOD** (SI2.823699) held their final meeting in Maribor, Slovenia.

Representatives of the project partners attended the final meeting to discuss the final steps of the project which concludes on 31 December.

The partners reviewed all the tasks developed for the different work packages and organised the tasks and dates to be fulfilled by the project partners.

This successful meeting was closed with an evaluation and exchange of views about the collaboration of the partners in other future actions within the framework of the project Train-CE-Food.

To end the meeting the partners enjoyed a traditional Slovenian meal in an organic and sustainable farm, where they held the meeting, as an example of good practices of circular economy and entrepreneurship in the food supply chain.
